

CROSS RIVER  
AND TAKE TOWN

Whole German Line Is Reported to Have Swept over Dneister

HOLLICZ CAPTURED,  
REPORT GERMANS

Russians Admit Defeat, but Say They Have Joined Their Armies

Berlin, via London, June 28, 3:35 p. m.—The town of Hollicz in Galicia, on the Dneister river, has been occupied by German troops, according to the announcement of German military headquarters today. The statement also says that the river has been crossed by the Germans along the entire front.

The tide of battle is again flowing with the Teutonic allies in Galicia. German and Austrian claims to victory are substantiated by Russian admissions of their retreat south of Lemberg. Officers of the general staff, however, stated today that they have successfully achieved the regrouping of their forces necessitated by the German-Galician campaign, and that they stand ready effectively to oppose the further advance of Austro-German forces in Galicia or southern Russia.

Simultaneously comes the news of a Russian council of war at the front, presided over by the emperor and participated in by Grand Duke Nicholas, other leading men and several cabinet ministers, while in Petrograd the recent retirement of the minister of war is to be followed by other ministerial changes, according to a current report.

News from other sections of the far-spread war front includes the Italian report of an successful attempt by the Austrians to retake the heights of Zeillemkofel. German submarine activity has been renewed. British aviators have flown over Smyrna, dropping bombs and causing more than 70 casualties in the Turkish garrison, according to a report from Mytilene. An interesting statement, in view of the recent reports, is attributed to the Serbian minister to Italy, to the effect that Serbia will decline to make separate peace.

## BIG STEAMER SUNK.

London, June 28.—The British steamship Indrani of 3600 tons was sunk Sunday by a German submarine at a point southwest of Tuskar, Ireland. Her crew were saved.

## ALLEGED DISCRIMINATION

Canadian Who Returned with a Large Russian Contract.

New York, June 28.—Wilson W. Butler, vice-president of the Canadian Steel Car & Foundry company, who arrived here yesterday from Liverpool on the steamship Philadelphia, declared that while abroad he closed a contract in Petrograd for 5,000,000 artillery shells, which he asserted is one of the largest contracts ever granted by Russia for foreign-made ammunition. The shells will be manufactured in Canada and will be delivered to the order of the Russian government at Canadian ports. While in England Mr. Butler conferred with the British committee, an advisory organization to the war department. He said he objected to England's efforts to draw upon Canada and other British colonies for a large supply of skilled labor.

"Canada has already responded to the call of Great Britain with thousands of the best of her young men," said Mr. Butler. "The effort to also draw from us our skilled labor I resent for we need these men ourselves."

Mr. Butler confirmed an interview he gave before sailing in which he complained that Canadian firms were not given an equal opportunity with firms of the United States in supplying ammunition and war supplies. He declared further that the need of the allies was more shells of a character that would break down and destroy trenches of reinforced concrete and steel, such as he said, the Germans have built along the western battle line.

## GOLF IN MORNING.

Cornish, N. H., June 28.—President Wilson moved to Hanover this morning for a game of golf and planned to spend the afternoon attending to official business which has accumulated since his arrival at the summer White House.

## Fighting Worms in Sheep.

Next to dogs internal parasites are the greatest detriment to the farm sheep business. The trouble seems to be aggravated by pasturing sheep year after year on the same ground. The best cure in prevention and the practical way of prevention is changing pastures as frequently as possible, advises Farm and Home. Scarcely, authority hands will usually be found suffering from internal worms, providing, of course, good conditions are such that they normally should be in good shape. Grasshopper is the best treatment.

Mix well one-quarter cup of grass seed with three cups of sweet milk and drink each lamb for three mornings in succession. Before the first treatment put them in a pen and give them no feed nor water for 18 hours. Repeat the treatment again in three weeks. Be careful not to let the lamb struggle and draw the mixture into the lungs.

## DRANK INK; HELD RAZOR.

Ink Was Pumped Out of Her Stomach and Razor Was Seized.

Burlington, June 28.—A hurry call for the police ambulance and a doctor was sent yesterday afternoon when it was reported that Sarah DeForge of 327 North Winslow avenue had attempted suicide. Chief of Police Russell and Dr. F. W. Baylies went to the scene and found that the woman mentioned was very ill, but was not at the point of death by any means. Dr. Baylies used the stomach pump effectively and Mrs. DeForge was soon brought to normal.

The news that something was out of the way at the DeForge home was first made known to Officer J. K. Brothers on the beat in the northern part of the city. He went to the house and found the woman very ill. She admitted having taken something. Near her was a note which read:

"Please get Jack before I die alone. I have taken something. I want to speak to him."

"The 'Jack' mentioned in the note was her husband. It transpired that she had just had a quarrel with him and he left suddenly. After he departed she felt in a melancholy mood and decided on doing something desperate. Whether she really wanted to die or not is not apparent but the fact is known that she drank a quantity of writing ink. There was also a slight wound on her throat and in her hand she clutched a razor held close to her body. This last was taken away from her with some difficulty. After the stomach pump had been used which brought the ink to light, Mrs. DeForge felt better and she admitted that all she had intended to do was to scare her husband but she would do a better job next time.

WANT EVELYN THAW  
TO ACT AS WITNESS

Process Server in Behalf of New York State Goes to Summons Her to the Hearing on Harry Thaw's Sanity.

New York, June 28.—Subpoena servers, who were sent by Deputy Attorney General Frank A. Cook, were at Chautauque lake, near Malone, N. Y., today to serve a summons on Evelyn Nesbit Thaw to testify in the jury trial to determine the sanity of her husband, Harry K. Thaw. Mr. Cook wants Mrs. Thaw to repeat to the jury the evidence she gave in the habeas corpus proceedings at White Plains in 1909 when she told of visiting Thaw at Matteawan and quoted him as saying: "When I get out of this place I suppose I shall have to kill you."

Among the witnesses ready to testify in Thaw's behalf were General Frank S. Streeter of Concord and Dr. Charles P. Bancroft, superintendent of the New Hampshire hospital for the insane, both of whom were members of the lunacy commission appointed by the federal court of New Hampshire to examine Thaw when he was in that state. They reported that Thaw was not then suffering from any form of mental disease, alleged by the prosecution at the time of his trials on the charge of murder.

Prior to the taking of testimony today, Justice Hendricks addressed the newspapermen and warned them that "the trial of this case in the newspapers has got to stop." He threatened severe punishment for contempt of court any editor who published stories outlining future evidence that might be presented.

## TWO TAKEN TO HOSPITAL.

After Automobile and Bicycle Collided on Williston Road.

Burlington, June 28.—An automobile and a bicycle collided on the Williston road Saturday night and Arthur Beaudry of Richmond, the rider of the latter vehicle, received a fracture of the left wrist, and injury to his left side and a severe cut on the head. He was taken to the hospital. One of the occupants of the automobile, Casme Cano of Barre, was knocked senseless in some way, two teeth being knocked out and his upper lip cut. He recovered consciousness shortly after being taken to the Mary Fletcher hospital.

With Cano was Andrea Tomasi of Montpelier, and the driver of the car was Robert Coventry of Burlington, who had been engaged to drive the two men to Barre and return. The accident happened on the return trip. Beaudry was accompanied by another bicyclist, Walter Smith, and they were returning to Richmond after a visit in Burlington. Smith was riding ahead of Beaudry and passed the automobile about 75 feet when he heard a crash and stopped. Smith says the automobile was being driven rapidly and that it was zig-zagging. On the other hand, Coventry says he saw the two bicycles and slowed down. He also says one of the bicycles carried a light and the other did not. The automobile was stopped after running two or three of its lengths. State's Attorney Hopkins is investigating.

## CONTINUATION SCHOOL OPENS.

About 100 Pupils Presented Themselves This Morning.

A six weeks' summer school, under the direction of the city school department and under the immediate supervision of Superintendent H. G. Woodruff, opened in the Matheson school building this morning with an attendance of nearly 100 pupils. The teachers engaged are Miss Zelma A. Goodell, Miss Nellie J. Perrin and Mrs. J. R. Eckert. Sessions will begin at 8:30 o'clock and continue until noon. A few who were assigned to work in the summer school were not present this morning but will probably come in later. Last year the late Superintendent E. M. Rowse initiated the summer session in the Barre school with notably successful results.

Mrs. Margaret Deberry of Northfield is conducting a private school in the Matheson building and is paying special attention to those in the primary grades. There were about 25 pupils in attendance this morning. Next Monday morning Miss Ethel Warden, a teacher in the ward five school, will open a school for pupils below the fifth grade; this school will also be conducted in the Matheson building.

## A DISCORDANT NOTE

When Double Male Quartet Appeared in Barre City Court.

A double male quartet of alleged intoxication respondents, who figuratively danced away from the straight and narrow over the week end, paid the fiddler for their misdeeds in city court today, and one respondent arrested on a breach of peace charge settled an assessment. It was the largest Monday morning grist in several weeks. Arthur Weeks of Granville, who was knocked over by the quarry train on Saturday night and arrested by Officer Dineen, paid the minimum fine and costs of \$6.20. Patrick Trombley, arrested by Officer Gamble on Saturday afternoon, pleaded guilty to a subsequent offense and paid a \$15 fine and costs of \$6.50. One year, lacking eight days, Trombley signed the pledge for 12 months.

To-day Judge H. W. Scott tackled on the old fine of \$15, because it developed that Trombley had vacated his contract with the magistrate.

Andrea Dragoni pleaded guilty to a subsequent offense and hopes he can pay the fine of \$15 and costs of \$6.80. He was arrested Sunday morning by Officer Dennis Donahue, who also took in custody over the week end Allan Clark and Edward C. Budd, the latter of East Montpelier. Clark pleaded guilty to a subsequent offense and paid a \$15 fine and costs of \$5.80. Budd settled for \$5 and costs of \$5.50, he being his first offense. Joseph Christopher of Montpelier, who was arrested Sunday afternoon by Officer A. B. Curtis, pleaded guilty to a first offense and arranged to pay the minimum fine and costs of \$5.70. William Leclair, arrested yesterday by Officer John S. Murley, pleaded guilty to a first offense and expects to pay the \$15 assessment with costs of \$5.70 attached. Silveira Felice, who was taken in custody by Officer John W. Dineen, paid \$5 and costs of \$7.91.

James Gibson, arrested by Chief Sinclair on a complaint made to Grand Juror William Wisbart, pleaded guilty to a charge of assaulting John Doe and paid a \$5 fine and costs. He was taken in custody last night.

Waterbury, June 28.—Charles Keene, who has been in poor health for nine years, seriously ill for two years and confined to his bed most of the time since, passed away at his home on Winslow street Saturday afternoon of locomotor ataxia. ## LARGE QUARRY SLIDE

Broke Derrick at Jones Bros. Light Quarry Sunday Morning.

Sometime early Sunday morning a slide that attained large proportions occurred at Jones Bros. light quarry, known as the Taylor deposit, between Granville and Waterbury. People passing that way heard the roar of sliding earth and stone about 2 o'clock. By daylight the havoc wrought was much more evident. Tons and tons of earth and slate, becoming loosened from a rift on the bank side, which had "slanted back," in the language of the quarrymen, had tumbled down the slope, sweeping from its foundation a derrick, breaking the mast and destroying the top plate along with the derrick. Had the slide occurred in the daytime when many quarrymen are engaged in the pit, a disaster of serious consequences would have followed inevitably.

Men connected with the quarry stated today that the damage cannot be readily reckoned, although it will probably amount to a considerable sum. At Jones Bros. offices on North Main street it was said that the slide will not interfere with the quarrying of roofstones, etc., for which the quarry is noted, although some time will be required to clear away the debris. What precipitated the slide has not been ascertained.

GREAT PLOT  
FRUSTRATED

United States Stopped Gen. Huerta's Effort to Get Back into Power

ARRESTED FORMER  
LEADER AT BORDER

Mexican and His Chief Lieutenant Placed Under Bonds

Washington, D. C., June 28.—The inside details of the plot to restore the Huerta regime in Mexico, which was nipped in the bud by the United States, began trickling out today through a net of official secrecy. While General Victoriano Huerta and his chief lieutenant, Pascual Orozco, are under federal detention at El Paso, other Mexicans, nearly a score of whom had a part in the plot that failed and probably some Americans, are under surveillance. It is believed by some who are in close touch with Mexican affairs that the coup was to have had financial support of some prominent American interests.

El Paso, Tex., June 28.—Charges of conspiring to incite a revolution against a friendly country were filed yesterday against Victoriano Huerta, former president of Mexico, who was placed under arrest at Newman, N. M., by federal officers.

Similar charges were filed against Gen. Pascual Orozco, who was arrested at the same time. Huerta was released last night on \$15,000 bond. Orozco's bail was fixed at \$7,500, and he also was released.

A public demonstration in Juarez about an hour before Huerta's train was due to reach this city, ended as suddenly as it began. There were hurried conferences among Mexican leaders on both sides of the Rio Grande. Many guardedly admitted that Huerta's detention was of the utmost importance, but none would comment on its possible effect on Mexico.

For several days there have been persistent reports that June 28 had been fixed as the date for far-reaching developments at Juarez in connection with the so-called third revolutionary movement. Some observers professed to see a close relation between this movement and the arrival of General Huerta.

Those who regard Huerta as one of the strongest men in Mexican public life in recent years believe his detention may result in removing a strong influence on Venustiano Carranza and Francisco Villa for the reasonable conduct of their governments.

Instead of being given an enthusiastic welcome from his supporters, many of whom had gathered at the border, General Huerta reached El Paso in custody of federal officers and under guard of 25 United States troops. The former Mexican executive and General Orozco were taken to the customhouse here and later removed to Fort Bliss, where they were held until their bonds had been provided. General Huerta, in answer to a question, denied he had intended to re-enter Mexico at this time.

General Huerta had planned to leave the train at Newman and motor 20 miles to El Paso, accompanied by Major Luis Fuentes, his son-in-law, and General Orozco, who had been one of his most active commanders in the fighting against the constitutionalists. That portion of his plan was carried out, but his party was augmented by the addition of the federal officials and a detachment of the 11th United States cavalry.

The coming of General Huerta to El Paso had been predicted here, but news of his detention came as a surprise to the public.

Late Saturday night federal officials learned that Huerta was traveling toward El Paso on the El Paso & Southern railway train No. 1. Zack L. Cobb, collector of customs at El Paso, acting for the state department, assisted by Clifford Beckham of Fort Worth, special agent of the department of justice, arranged to meet the train at Newman, N. M., accompanied by a small force of federal officers and 25 cavalrymen from Fort Bliss under Colonel George Morgan, the troops being used as an escort and guard against disorders on the drive throughout the city.

Huerta reached Newman at 6:40 a. m. and readily agreed to the request that he and General Orozco accompany them to the customs office in El Paso for a conference. The general was informed that he was to be given every courtesy as their guest on the drive to the city.

"Ah! Soldiers. Fine!" exclaimed the general, spying the cavalrymen as he alighted from the train.

"War is not all bad," said Huerta, at mention of the American Civil war. "That made of the United States a greater nation than it could otherwise have been. Perhaps the civil wars of Mexico may likewise benefit our country."

Of the European war he said: "No good can come from that conflict, for when it ends all countries involved will lose."

A brief stop was made at the El Paso Country Club for refreshments. Then the automobiles sped to the home of General Huerta's daughter and proceeded to the federal buildings.

## CONFIRMATION OF DEFEAT

Of Carranza's Army Which Was Marching on Mexico City.

Washington, D. C., June 28.—Further confirmation of the defeat of the Carranza army advancing on Mexico City, brought to Vera Cruz by an American train from the capital, was received today at the state department.

## CUTLER CORNER DAYS RECALLED.

By Many Who Attended Annual Reunion at Dewey Park.

Memories of many a youthful escapade, as well as some of the more properly decorous Friday afternoon speakings, were revived at Dewey park Saturday, when upward of 125 members of the Old Cutler Corner School association held their 12th annual reunion. By and large, it was one of the most successful school reunions of the dozen years in which the association has existed, and into the day's doings was injected more of the essence of a real reunion than at any time in several twelve-months. Just how long a time must elapse ere a Cutler corner pupil may be designated as a "old grad" is a matter for debate, but the old grads who assembled at the park ranged in age from young years to 70, and the 70's had nothing on the youngsters when it came to relating reminiscences.

Splendid weather conditions favored the outing, and the attractive program arranged by the committee was carried through to a finish without a hitch. At 11:15 o'clock in the forenoon, a brief business session was held, and the following officers were elected: President, W. H. Gladding of Randolph; vice-president, Alfred Parkhurst of Barre; secretary, ex-Mayor L. H. Thurston of Barre; assistant secretary, Mrs. C. B. Gladding of this city; treasurer, P. M. Cutler of Barre; assistant treasurer, Mrs. F. T. Cutler, also of Barre; committee on resolutions, Mrs. L. H. Thurston, Mrs. Center Bates and Mrs. Clara Paige, of Barre; executive committee, Mrs. Clara Paige, Mrs. F. T. Cutler, Mrs. Asa Blanchard, Mrs. Alfred Parkhurst, and Mrs. Ida Pearson; assistants to the executive committee, Earl C. Cutler, Mrs. Frank Colvin, Mrs. C. B. Gladding and Mrs. Bennett.

Cutler corner alumni, big and little, were gathered around the festive board in the spacious park pavilion at noon. The dinner was a culinary triumph, and it was a company of diners well content to settle back for the exercises around 1 o'clock. Among the delightful contributions to the program were the following: Reading, Miss Ruth Gladding; reading, Miss Clara Cutler; reading, Miss Ellen M. M. Hour; reading, Miss Helen Cutler. Through the generosity of Cummings & Lewis, who loaned the association a victrola for the program, some highly enjoyable musical selections added to the entertainment. Afterward the pavilion was cleared for dancing, and from mid-afternoon till the early evening, there was tapershowered amusement aplenty for the corner people.

Credit for the successful manner in which the 1915 picnic plans were permitted to reach fruition is largely due to the executive committee, members of which were assisted by E. C. Cutler, W. H. Gladding, Mrs. Clara Paige, Earl C. Cutler, Mrs. Frank Colvin, Mrs. C. B. Gladding, and Mrs. Bennett.

## AT REUNION.

Of Perry Family Held in South Part of Plainfield.

A number of towns in Caledonia and Washington counties were represented at the second annual reunion of the Perry family on the home farm in the southern part of Plainfield Saturday, there being about 60 persons present, and the occasion was entered into heartily by all, so that a very pleasant reunion was the result. Shortly after noon, all had gathered in a grove, where a basket lunch was served on an improvised dining-table. Following the dinner, a program was given, followed by the business meeting.

William A. Perry of Barre, president of the association, presided, and the numbers on the program were: Selection by the Perry orchestra (a small piano had been moved to the grove); welcome, Thelma Perry; report of last reunion, secretary, Mrs. Abbie Corlies; recitation, Wayne Perry; duet, Irma and Esther Cheney reading, Ralph Perry; recitations by James and Arthur Perry; music, Perry sextet; reading, Doris Perry; selection, orchestra; reading, Dan A. Perry; recitation, Stuart Perry; chorus by 20 children; historical sketch, Dean H. Perry; "Perry Reunions," Blanche Corlies; selection, orchestra.

The former officers were all re-elected, as follows: President, William A. Perry of Barre; vice-president, Theron C. Perry of Plainfield; secretary, Mrs. Abbie Corlies of Barre; treasurer, Mrs. T. C. Perry of Plainfield. One addition to the list of committees, who otherwise remained the same, was the election of Charles D. Perry of Marshfield as a member of the finance committee.

At the close of the business, the annual baseball game was indulged in by the male members of the gathering, full nine innings being played, and the score standing 36 to 30 at the end of an exciting contest. After this strenuous exercise, they were again ready for something to eat, and the table was again set. Before the guests had begun to depart, plans were being laid for the reunion in 1916.

## MANY WHEELERS GATHERED

For Family Reunion at Sabins Pond in Woodbury.

Barre, Woodbury, Berlin, Worcester, Calais, Hardwick and Worcester, Mass. Wheelers joined in a family reunion at Sabins pond in Woodbury Saturday, when nearly 60 members of that Vermont family came together. Propitious weather conditions favored the outing, and the excellent arrangements made by Mr. and Mrs. Bert Wheeler were carried through to completion. A bountiful dinner was served at high noon in the pond pavilion overlooking the water, a number of the younger Wheelers seeing to this all-important reunion adjunct.

In the afternoon there was an enjoyable literary program in which old and young contributed readings, recitations, etc. Mr. and Mrs. Denison Denamore of Barre were elected to supervise the arrangements for the 1916 outing, which will be held at Sabins pond. Athletic events occupied the remainder of the afternoon.

Among the people who went to Woodbury from the vicinity were: Mr. and Mrs. E. G. Wheeler and son, Walter, of Woodbury; Mr. and Mrs. Edward Denamore, Mr. and Mrs. Edward Clark, all of this city, and Mr. and Mrs. George Wheeler of Berlin.

About 50 members of the Glenugie club and their families gathered at Caledonia park Saturday afternoon to hold their annual picnic. An enjoyable time was had by all in spite of the rain that threatened to spoil the day.

The principal feature of the day was a baseball game between two teams captained by Leel and Fraser. Leel's team won, the score being 4 to 3. ## PICNIC AT FAIRMONT.

McDonnell & Sons Employees and Families Made Merry.

At Fairmont park Saturday afternoon the annual picnic of the employees of McDonnell & Sons was held, there being about 150 people present. The picnic was full of amusement for all and the time was pleasantly spent until evening. Owing to illness, Robert Q. McDonnell, the head of the firm in Barre, was unable to be present, much to the disappointment of the men.

The single and married men engaged in a double encounter, in football and baseball, the married men carrying off the honors in both. In football the score was 2 to 1 and in baseball 9 to 7. Gail and Pratt were the battery for the single men and Riley and Lawlis for the married men. Massie's home run wallop was the feature. George Blake refereed the football game.
